7. Chairman's Message

In the year 1980, an assemblage in the Kingdom of Saudi Arabia called the Conforce Group bred a vision to ensemble a line of activities that would build homes not houses. This apparition shouldered patterns of design and flawless construction projects started to provide shelter with luxury, fulfilling many a dream for those who desired class and pride under the same roof.

Saudi Arabia too witnessed what one calls a class apart of distinguished projects that pride the nation.

Spreading its wings to new dimensions of one stop solutions in construction and all that surrounds it, the Conforce Group have flown across the globe to improvise their construction solutions in the UAE to be listed among the top companies to construct towers that shadow clouds.

Pakistan were next to respect the spotless edifice that were erected to support the smiling faces of contented people who lavishly dwelled in Conforce Group's Vicinities.

Yesterday was merely a dream, today has become an empire of Design, Transportation, Project Management and MEP Services.

These forays accolade the Company's true policies to serve society providing everyone with what they truly deserve: a good home!

Vision & Mission

Vision Statement

Conforce Group is committed to deliver world class project developments, sales and marketing, consultant services, brokering of properties and creating edutainment facilities. our group's objectives are to exceed most affluent and discerning client expectation, working with highly experienced and creative professionals as well as strategic partners and suppliers, who can deliver high international quality standards, innovative ideas technological applications and services based on core business values and ethics paramount to strengthening credibility, trust and intergrity amongst client, contractors, sub-contractors and relevant officials.

We are dedicated to create the ultimate in high quality living by upgrading standards and initiating high end constrction technique.

Mission Statemnet

Our mission declares our purpose as a group. It serves as the standard against which we weigh our actions and decisions. It is the foundation of our group:

- To change traditional ways of thinking by igniting refreshing ideas
- To deliver service excellence throuh products and services
- To create value and make a diffrence everywhere we engage

Conforce Arabia

The year 2008 witnessed the launch one of Dubai most prestigious development company - "Conforce Arabia". A company that is establishing projects surfacing the sky and embarking signature designs that will surely pride Dubai. One such project is the esteemed Lamborghini project in Dubai Sports City.

Conforce Arabia has been listed among the selected handful of companies in the UAE that shall shoulder the responsibility of constructing towers that can boast an unlimited height and steadily conquer the existing wonder of the world. A company sure to make its mark with structures that shall provide a one-stop solution and build landmarks for the future of Dubai.

Conforce Arabia possesses -

"Unlimited Building Construction License, issued by the Dubai Government."

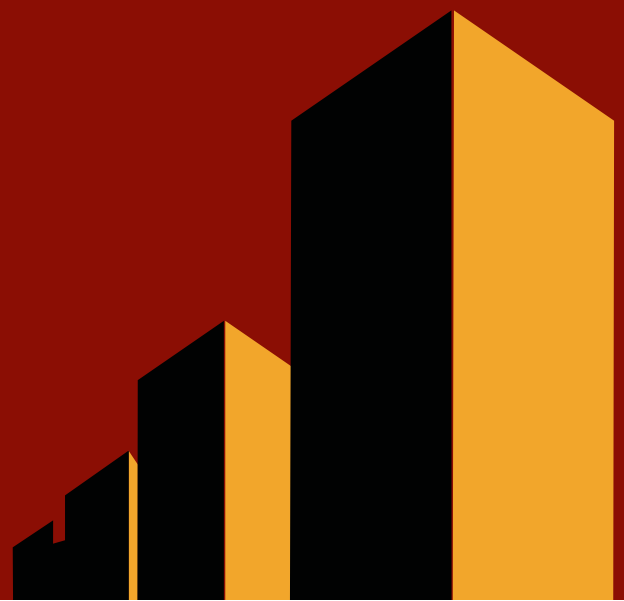

C.C.C.L. Sharjah

In 1992 an L.L.C Company was formed in Sharjah, UAE. The name "Conforce Contracting Co.L.L.C" prides its head office in Sharjah for the purpose of contracting business to construct commercial/residential buildings and warehouses etc and testify construction in its true meaning - perfection!

The company has progressed very positively in the past years, and has successfully initiated and completed various building projects in Sharjah, UAE and free zones.

At present the company is engaged in completion of several different building projects in Sharjah.

Division

Transport , Tools & Plants

Projects undertaken by the group require a wide range of heavy duty equipment to construct and transport raw material from various sources to project locations. To Speed up the process of facilitating construction, Conforce Arabia and CCCL have embarked a self-sustained, fully equipped division greared with the wide range of construction equipped required to meet the needs of any given project.

Conforce transportation improvisees a speed to action plan to meet the needs of any substantial project and efficiently handle multiple projects at a time.

Division

Mechanical, Electrical and Plumbing

The MEP Division provides Mechanical, Electrical and Plumbing (MEP) engineering design services. This division also includes fire protection of lighting engineering design. We provide ONE STOP comprehensive MEP engineering services for our commercial customers. We provide MEP engineering design services to:

- ARCHITECTS CONSULTANTS.
- BUILDING OWNERS.
- GOVERNMENTAL AGENCIES.

We value engineer design to assure that construction and operating costs are kept low. OUR GOAL is to meet your needs towards safety, functions, design, maintainability, appearance and economy. We believe that our success is measured by how our customers value us.

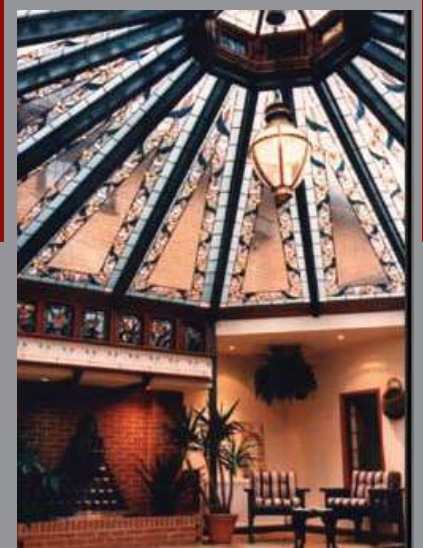

Division

Aluminium and Glass

Conforce Aluminum & Glass is a complete contract service company that provides the building industry with design, engineering, shop drawings, fabrication and installation of:

Aluminum Doors
Aluminum Windows
Architectural Panels
Automatic Doors
Canopies
Column Covers
Curtain Walls
Custom Table Tops
Glass Handrails

Glass and Glazing
Unitize system
Mirrors
Partitions
Reflective Glass
Stick system
Skylights
Sloped Glazing
Alpolic Cladding

Our tradition of creative design, workmanship and our impeccable performance record has earned us a sterling reputation with leading Architects, General Building Contractors, Developers and Building Owners.

We thoroughly understand the challenges faced by them in executing today's complex building projects. Our experience and innovation empowers us to be a very creative and efficient member of ANY building team.

We can design, fabricate and install composite panels for re-facing existing structures or install for new construction. We are truly a one-stop-solution provider. Whether you are dealing with new construction, renovation or remodeling projects, we are ready and pre-eminently qualified to help.

Furniture

Conforce Interiors make sure that clients come first, that all their needs and desires are catered to. The company takes pride in endowing clients with products of the highest quality and inspiring design.

Generating state-of-the-art designs by efficient designers from all corners of the globe, the company has proven to be cost effective and innovative.

All cutting edge designs are done under one roof and the some of the services the company offers are -

- Curtains & Drapes
- Seating Concepts
- Window Blinds
- Flooring (i.e. vinyl, parquet & carpet tiles)
- Furniture
- Fire retardant treatment or inherently fire retardant fabrics are also available.

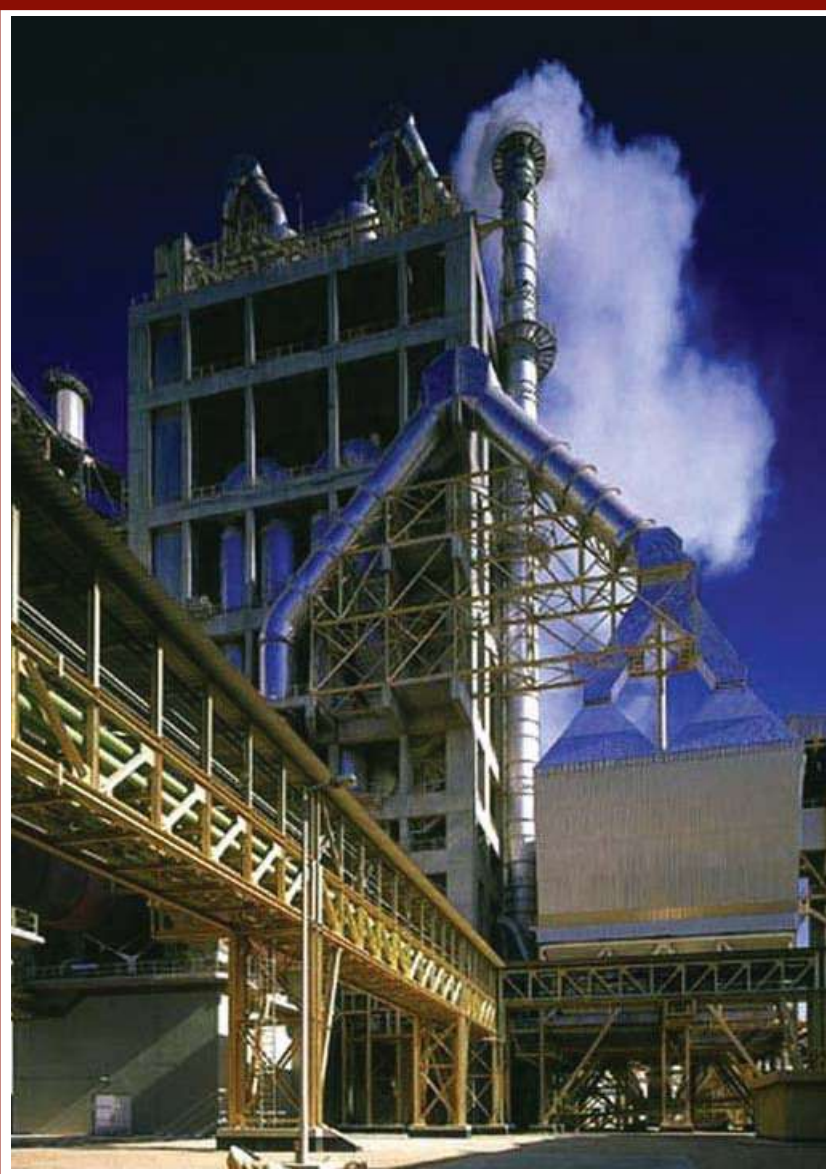

Division

Trading

The Conforce Trading is one of the most versatile construction trading forces in Dubai and Sharjah. The division specializes in many types of construction, such as: Process plants, power plants, industrial and manufacturing plants, and building construction, mechanical works, pipeline and pumping stations, high quality iron and steel works, civil work and industrial maintenance and services.

All the elements required to construct are encompassed in and traded on all level to support the growing needs of the market. Speed to action is the plan implemented in all projects that are supported by the division.

The division supports the parent company in all its requirements and 3rd party projects as well.

Division

Branding

The Conforce Group is exclusive and privileged in obtaining brands of the highest standards under the group name and builds the most exclusive property to surface the earth. One such property is the Lamborghini building in Dubai Sports City.

A project so exclusive that it will commemorate Dubai and the entire UAE.

The Group is looking forward to bringing more prestigious brand names that will pride the nation.

Mr. S.A. Javed
Group Chairman

Creating a successful partnership with clients throughout the construction process. Our pledge is to establish lasting relationships with our customers by exceeding their expectations and gaining their trust through exceptional performance by every member of the construction team.

- Exceptional performance in all aspects of our industry.
- Outstanding customer service.
- Unparalleled value.

To create a culture within our company that will in turn create quality-minded employees and then top-quality performance.

We will seek to amaze our customers! By integrating our total quality process throughout our group of companies, we will become the premier provider of construction services, and our customers will be astounded. By continuously improving our performance, we will work to provide our customers with outstanding project performance. We will gain distinction through quality.

Our Philosophy

*“Quality is remembered long
after price is forgotten!”*
